

What is **Mate crime?**

Mate crime is when someone says they are your friend, but asks you to do things that make you feel uncomfortable, take your things or call you names.

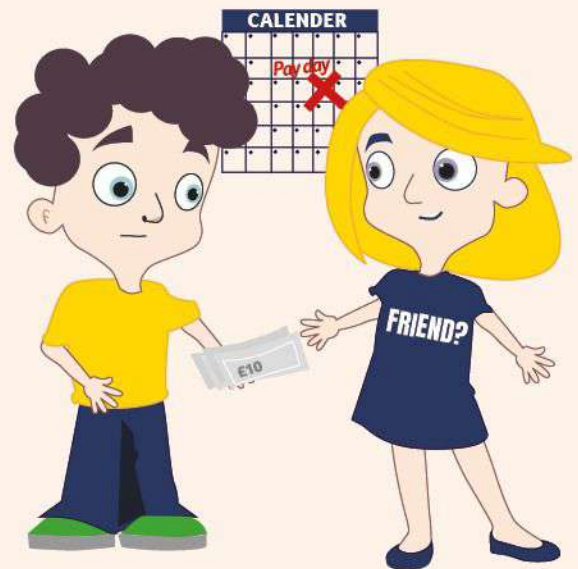

Here are some more examples...

Do they give you a lift but then charge you too much money?

Do they always come to your flat for a party and eat all your food and drink?

Do they only come round on your payday to spend your money?

Are they sending you hurtful messages?

Tell a friend that you trust

If you think that you are a victim of mate crime, tell someone you trust, tell lots of people.
